Capability Statement

International Medical Graduate and Health Promotion Consultant (8+ years) with more than 10 years of experience running a wellness company. I deliver culturally safe, trauma-informed, evidence-based workshops for newcomers/ESL, Black and racialized communities, adults with disabilities, seniors, parents and youth/young adults.

Core capabilities

- Workshop facilitation & public speaking (interactive, ESL-friendly)
- Mental wellbeing and health literacy education (plain language)
- Engagement strategies for mixed literacy and interpreter use
- Slides + handouts; optional evaluation snapshot

Populations served

- Newcomers, settlement, LINC/ESL cohorts
- Black and racialized communities (BIPOC)
- Adults with disabilities (employment/community programs)
- Seniors and youth/young adults
- Parents

Signature workshops

Delivered as an interactive and immersive day long session, 60-90 minutes, 2 hours, or as a series.

Confidence, Calm & Connection

- Grounding tools for stress/overwhelm
- Confidence habits + self-talk reframes

Nutrition & Brain Function

- Simple routines for focus/energy/mood
- Doable swaps (budget + culture aware)

Anti-oppression in practice

- Real-world scenarios + reflection
- Practical language + action planning

Quick facts

Past performance
